Note:	250-7507 BLUETOOTH CONTROL MODULE BASE KIT IS COMMON TO ALL MODELS						
1. Due to the nature of audio components and OEM Model Year running changes, the application data may vary. Rostra does advise that you confirm the audio source properly integrates with the plug-in harness PRIOR to any dashboard alteration - in the event the vehicle has a deviated sound system. To assure you are prepared for deviations, Rostra recommends to carry the full line of kits.
